

Release notes

Class Anatomy is freeware.

© 2006 all rights reserved by Roel S.F. Abspoel.

Distribution of this utility is allowed but only in it's original form, without charging of a fee. For more information please contact the author at: roel.abspoel@gmail.com

The distribution package should contain this document and the ca.exe file.

Version 1.00
Released on: May 3 2006

This is the first (public) release of Class Anatomy.

Known Issues:

- Interfaces are not read at this point.
- Class structures declared in the CLW instead of the INC are not read.
